

## **ANPATH GROUP, INC. ANNOUNCES FISCAL 2010 SECOND QUARTER RESULTS**

**For Release: Immediate**

**MOORESVILLE, NC (November 16, 2009)** Anpath Group, Inc. (OTCBB: ANPG), and its wholly-owned subsidiary, EnviroSystems, Inc. (ESI), today reported financial results for its fiscal 2010 second quarter which ended September 30, 2009.

### **Second Quarter Results:**

The Company continued a positive trend of increased quarterly revenues and reduced losses year over year. Revenues for the second quarter were \$113,170 compared with revenues of \$27,145 in the same quarter last year; an increase of \$86,025 or 417%. For the first six (6) months of FY 2010 Anpath Group reported an increase in revenues of \$209,066 or 559% over the first half of FY 2009. The Company realized a net loss of \$663,385 or \$(0.04) per share for the second quarter reported compared to a loss of \$(838,918) or \$(0.06) per share for the second fiscal quarter last year. Total operating expenses for the second quarter were reduced by \$159,567 or 20% compared to the same period for the prior year.

“We are pleased with the FY 2010 quarterly improvements in our business,” stated J. Lloyd Breedlove, President and Chief Executive Officer of Anpath Group. “The Company continues to make progress and build a strong foundation on which to grow. We remain committed to a number of milestones that have the potential to rapidly grow our revenues.”

### **Business Overview:**

During the second quarter ANPG continued work on several previously announced initiatives. As a result of completed testing, the Company plans to provide new data to the US Environmental Protection Agency as the initial step in the reintroduction of a broad spectrum disinfectant; a platform for a number of related products. The Company also reported continued progress toward the introduction of an environmentally correct geobiocide for use in the oil & gas industry and is in discussions with a potential partner within the industry. Growth of its international presence continued with market expansion in Japan and Korea. The Company has ongoing discussions with other international distribution partners.
