

## **ANPATH GROUP, INC. AND BIO-CLEAN INTERNATIONAL, INC. SIGN TEAMING AGREEMENT**

**For Release: Immediate**

**MOORESVILLE, NC and HUNTINGTON BEACH, CA (February 12, 2009)**, Anpath Group, Inc. (OTCBB: ANPG), announced today that its wholly owned subsidiary, EnviroSystems, Inc. (ESI) has entered into a Teaming Agreement with Bio-Clean International, Inc (Pink Sheets: BCLE) through its affiliated entity, American Bio-Clean Corporation (ABC).

American Bio-Clean will be the exclusive distributor of EnviroSystems' EnviroTru® Disinfectant & Deodorizing Cleaner and EnviroTru 1453 (for aviation applications) to federal government facilities, including military customers world-wide. American Bio-Clean, which is a Certified Service Disabled Veteran Owned Business (SDVOB), has been fulfilling government contracts for nearly 10 years. ABC has a client base that consists of private corporations and various military branches including: U.S. Coast Guard, U.S. Navy, U.S. Marine Corps, U. S. Army, Defense Logistics Agency, and Naval Air Systems Command. Bio-Clean International and its affiliated entities offer non-toxic environmental safe cleaning products and systems including its exclusive, aqueous-based, non-toxic bioremediation fluids and custom parts and weapons washing/cleaning systems.

EnviroTru® is a multi-purpose disinfectant, sanitizer and deodorizing cleaner effective against numerous organisms, including MRSA. EnviroTru® is registered by the Environmental Protection Agency (EPA) and meets requirements for Toxicity Category IV (minimal effects noted, no precautionary or first aid statements required; no harmful dermal, ocular, inhalation or ingestion effects), which is the lowest toxicity level available on the market today. EnviroTru® does not require protective clothing, gloves or special ventilation, and has passed the AMS 1452A, AMS 1453 and Boeing D6-7127 specifications for non-corrosion and materials compatibility.

Jeff Savino, ESI Vice-President of Marketing and Sales stated, "We are confident this Teaming Agreement will allow us to aggressively pursue the increasing government market demand for safe, effective disinfectants and cleaning solutions. The combination of ESI and ABC's products and services offers an effective and pragmatic approach to helping prevent the spread of infectious microorganisms while minimizing the harmful effects to people, surfaces and the environment".

James E. Shipley, President of Bio-Clean International, Inc. stated, "We believe the new agreement with EnviroSystems, Inc. will provide a significant boost to our revenues during the two (2) year term of the Teaming Agreement and look forward to the opportunities this agreement offers Bio-Clean International and its affiliated entities".

### **About Bio-Clean International, Incorporated:**

Bio-Clean International, Inc. has a majority interest in American Bio-Tech Cleaning, Inc., which designs and manufacturers customized parts and weapons washing/cleaning systems and produces a non-toxic water-based cleaning fluid integrated with a self-contained bio-remediation process. Bio-Clean International also has a minority interest in American Bio-Clean Corporation ([www.americanbioclean.com](http://www.americanbioclean.com)) which markets both the cleaning fluids and parts and weapons cleaning equipment. American Bio-Clean Corporation (ABC) is a Service Disabled Veteran Owned Business (SDVOB) that is certified and meets the Federal-mandated 3% minority spending requirements. Similar mandated spending requirements adopted by most states vary from 3% to 20%. Visit <http://www.bio-cleanintl.com> for more information.

### **About Anpath Group, Incorporated:**

Anpath Group, Inc. (Anpath), through its wholly owned subsidiary EnviroSystems, Inc., produces cleaning and disinfecting products that it believes will help prevent the spread of infectious microorganisms while minimizing the harmful effects to people, equipment and the environment. Visit <http://www.anpathgroup.com> for more information.

EnviroSystems, Inc. is focused on safe infection prevention technologies that the Company believes will position it in the forefront of the industry at a time when there is rapidly growing awareness of the critical need to prevent biological risks — both natural and man-made. Visit <http://www.envirosi.com> for more information.

### **Forward-Looking Statements:**

This release contains forward-looking statements, which reflect expectation or belief by Anpath Group, Inc. concerning future events that involve risks and uncertainties. Anpath Group can give no assurance that the expectations reflected in forward looking statements will prove correct and various factors could cause results to differ materially from Anpath Group expectations, including, but not limited to EPA and state registration of the Company's products, the Company's ability to carry out its business plan, successful development and commercial acceptance of its products, ability to fund development of its technology, the risk that products may not result from development activities, protection of its intellectual property, need for regulatory approvals, and other factors discussed in periodic Anpath Group, Inc. filings with the Securities and Exchange Commission. Forward-looking statements are qualified in their entirety by the above cautionary statement. Anpath Group assumes no duty to update its outlook or other forward-looking statements as of any future date.

Bio-Clean International believes that the forward-looking statements reflect the current views of the company's management with respect to future events and are subject to certain assumptions, including those described in this release. These forward-looking statements involve a number of risks and uncertainties, including the timely development and market acceptance of products, services, and technologies, competitive market conditions, successful closing of acquisition transactions and their subsequent integration, the ability to secure additional sources of financing, the ability to reduce operating expenses, and other factors described in the Company's filings with the Pink Sheets. Forward-looking statements are qualified in their entirety by the above cautionary statements. Bio-Clean International assumes no duty to update its outlook or other forward-looking statements as of any future date.
