

ANPATH GROUP, INC. EXPANDS ANIMAL CARE DISTRIBUTION THROUGH INDEPENDENT REPRESENTATIVES

For Release: Immediate

MOORESVILLE, NC (February 20, 2009) Anpath Group, Inc. (OTCBB: ANPG), reported today that its wholly-owned subsidiary, EnviroSystems, Inc. (ESI) has finalized agreements with two Independent Sales Representatives to sell its animal care products, EquineTru[®] Skin & Hoof Treatment and EnviroTru[®] Disinfectant Cleaner. The Company expects to add up to 10 more independent representatives nationwide. The new representatives, Jon Badtke, whose territory will include Iowa, Minnesota, Nebraska, North and South Dakota and Wisconsin, and Nick and Graham German, with a territory including Arizona and California.

Jon Badtke, a retired jockey, is the vice-president of Rescue Inc., a 501 (c) 3 non-profit organization with a mission to assist people that wish to help neglected and endangered horses. He has 15 years of sales experience in the equine marketplace, as the owner of Badtke Inc., a wholesale company, and as an independent sales representative for several top-of-the-line equestrian companies. Jon has a client base of 300 retail stores.

Nick and Graham German, independent sales representatives for numerous prominent equestrian companies have 8 years experience in the equine marketplace. They are very active in their territory and have a client base of approximately 350 retail stores.

Jeff Savino, VP of Sales and Marketing with ESI stated, "We are pleased to have Jon, Nick and Graham join us. Their experience and success in their respective territories will be beneficial to our plans for the animal care market. We are confident that through their efforts EquineTru[®] and EnviroTru[®] will become recognized solutions for difficult to treat skin and hoof problems as well as maintaining safe animal housing facilities. They join our team at a time when these products are receiving a high level of interest from horse owners, trainers, riders, farriers and veterinarians." Mr. Savino further explained, "Development of our animal care product line distribution network is proceeding as planned. With the recent selection of EquineTru[®] by Dover Saddlery, Inc. and SmartPak Equine, LLC for inclusion into their catalogs and on-line stores, the addition of regionally placed independent reps will access all customer buying points."

EquineTru[®] Skin and Hoof Treatment was developed to safely prevent and eliminate persistent and often debilitating skin and hoof ailments caused by micro-organisms. Further, its use is permitted for United States Equestrian Federation and Fédération Equestre Internationale (FEI) regulated competitions. EquineTru[®] has been reviewed and cleared for market by the Center for Veterinary Medicine (CVM) a division of the U.S. Food and Drug Administration (FDA).

EnviroTru[®] Disinfectant Cleaner is an effective disinfectant that can be used to create an environment free of bio-contaminants that could be at the root of many problems in horses and other animals. The use of EnviroTru[®] does not require protective clothing, gloves or special ventilation and has passed vigorous testing for non-corrosion and materials compatibility.
