

ANPATH GROUP, INC REPORTS PROGRESS IN JAPANESE MARKET

For Release: Immediately

Mooreville, NC (September 22, 2009) Anpath Group, Inc. (OTCBB: ANPG), reported today that its wholly-owned subsidiary, EnviroSystems, Inc. (ESI) has made steady progress in the Japanese market through its collaboration and distribution agreement with Minntech Japan. Minntech Japan is a division of Minntech Corporation, ESI's manufacturing partner.

Anpath announced the Minntech Japan relationship in November 2008 and has since reported the joint strategy to penetrate the Japan healthcare market. Minntech Japan intends to expand its current dialysis focus and has plans to introduce EnviroTru® Disinfectant & Deodorizing Cleaner at several influential facilities and professional meetings during the near future. Mr. Mike Kitamura, Managing Director, Minntech Japan Corporation, provided examples of the expansion effort. "We are honored to present EnviroTru® to the Okinawa-Daiichi Hospital where EnviroTru® will be considered as a control agent for potential pandemic. In addition, EnviroTru® will be introduced and displayed at the Japanese Society of Blood Purification in Critical Care, the Japanese Society of Hemodiafiltration (HDF) Therapy meeting and the Kyushu Society of Hemodiafiltration (HDF) meeting."

J. Lloyd Breedlove, Anpath Group, Inc, President & CEO stated, "Our relationship with Minntech continues to be positive for our company on multiple levels. We are very pleased with the success to date in Japan. Mr. Kitamura and his staff continue to make good progress in what is a large progressive healthcare market in Japan."

EnviroTru® is a multi-purpose disinfectant, sanitizer and deodorizing cleaner effective against numerous organisms, including MRSA. EnviroTru® is registered by the Environmental Protection Agency (EPA) and meets requirements for Toxicity Category IV (minimal effects noted, no precautionary or first aid statements required; no harmful dermal, ocular, inhalation or ingestion effects), which is the lowest toxicity level available on the market today. EnviroTru® does not require protective clothing, gloves or special ventilation.
