

ANPATH GROUP, INC. DISTRIBUTOR INTRODUCES PRODUCTS AT THE JAPANESE SOCIETY OF INTENSIVE CARE MEDICINE ANNUAL MEETING

For Release: Immediate

MOORESVILLE, NC (May 14, 2009) Anpath Group, Inc. (OTCBB: ANPG), announced today that its wholly-owned subsidiary, EnviroSystems, Inc. (ESI) and its distributor partner, Minntech Japan Corporation, launched the ESI product line at the recent 36th annual meeting of the Japanese Society of Intensive Care Medicine held in Osaka, Japan.

The annual meeting was attended by over 4,000 medical professionals. The Company reported that Minntech Japan received positive feedback regarding ESI's disinfectant cleaner, EnviroTru[®], and the distributor is currently contacting interested parties as part of the overall launch plan. According to Mr. Mike Kitamura, Managing Director, Minntech Japan Corporation, nurses and medical technicians demonstrated a high level of interest in EnviroTru[®] because of its safety and material compatibility profile. Mr. Kitamura also stated that Minntech Japan plans to display EnviroTru[®] at the Japanese Society for Dialysis Therapy next month. Approximately 15,000 attendees are expected at that meeting.

EnviroTru[®] is a multi-purpose disinfectant and deodorizing cleaner effective against numerous organisms, and also meets EPA requirements for Toxicity Category IV (no harmful dermal, ocular, inhalation or ingestion effects). EnviroTru[®] does not require protective clothing, gloves or special ventilation and has passed the AMS 1452A, AMS 1453 and Boeing D6-7127 specifications for non-corrosion and materials compatibility.

About Anpath Group, Incorporated:

Anpath Group, Inc. (Anpath), through its wholly-owned subsidiary EnviroSystems, Inc., produces cleaning and disinfecting products that it believes will help prevent the spread of infectious microorganisms while minimizing the harmful effects to people, equipment or the environment. Visit www.anpathgroup.com for more information.

EnviroSystems, Inc. is focused on safe infection prevention technologies that the company believes will position the company in the forefront of the industry at a time when there is rapidly growing awareness of the critical need to prevent biological risks — both natural and man-made. Visit www.envirosi.com for more information.

Forward Looking Statements:

This release contains forward-looking statements, which reflect expectation or belief by Anpath Group, Inc. concerning future events that involve risks and uncertainties. Anpath Group can give no assurance that the expectations reflected in forward looking statements will prove correct and various factors could cause results to differ materially from Anpath Group expectations, including, but not limited to EPA and state registration of the Company's products, the Company's ability to carry out its business plan, successful development and commercial acceptance of its products, ability to fund development of its technology, the risk that products may not result from development activities, protection of its intellectual property, need for regulatory approvals, and other factors discussed in periodic Anpath Group, Inc. filings with the Securities and Exchange Commission. Forward-looking statements are qualified in their entirety by the above cautionary

statement. Anpath Group assumes no duty to update its outlook or other forward-looking statements as of any future date.
