

ANPATH GROUP, INC. EXPANDS INTERNATIONAL DISTRIBUTION WITH MINNTECH CORPORATION

For Release: Immediate

MOORESVILLE, NC (November 12, 2008) Anpath Group Inc. (OTCBB: ANPG), reported today that its wholly-owned subsidiary, EnviroSystems, Inc. (ESI) has entered into an agreement with Minntech Corporation to expand its international distribution into Japan.

Minntech Corporation (<http://www.minntech.com>) located in Minneapolis, MN, is an EPA and FDA registered facility, and is the exclusive manufacturer of surface disinfectant cleaners and animal care products currently marketed by EnviroSystems, Inc. "The Minntech relationship provides EnviroSystems with a world-class partner and offers synergistic opportunities to quickly accelerate the international growth strategies for both companies. The addition of the Japanese market supports our goals to expand our multi-national business presence and addresses the worldwide needs and opportunities for our systems, products, services, and technologies", stated J. Lloyd Breedlove, Anpath Group, Inc. President & CEO.

Roy K. Malkin, President and CEO of Minntech stated, "We continue to pursue our strategy of partnering with branded niche leaders and expanding in the burgeoning area of infection prevention and control. World-wide demand for cleaning and disinfecting products continues to rise with the increased public awareness and expanded industry guidelines. The EnviroSystems products are ideal for use in a wide range of markets that are in need of disinfection and cleaning to help prevent the spread of infectious microorganisms while offering a favorable profile for health and environmental effects."

J. Lloyd Breedlove went on to say, "Minntech will not only accelerate our transformation into a pure-play infection prevention and control company, but provide us with a significant global platform upon which to build. Given Minntech's sterling reputation, seasoned management, and quality branded product portfolio, we are confident that our expanded partnership will help realize our mission to be a trusted and valued global resource in the advancement of health science and our efforts to protect people from the dangers of infection and contamination. Minntech has already developed and initiated execution of its strategic plan for Japan with an initial shipment of our EnviroTru[®] Disinfectant & Deodorizing Cleaner," concluded Breedlove.

About Anpath Group, Incorporated:

Anpath Group, Inc. (Anpath), through its wholly-owned subsidiary EnviroSystems, Inc., produces cleaning and disinfecting products that it believes will help prevent the spread of infectious microorganisms while minimizing the harmful effects to people, equipment or the environment. Visit www.anpathgroup.com for more information.

EnviroSystems, Inc. is focused on safe infection prevention technologies that the company believes will position the company in the forefront of the industry at a time when there is rapidly growing awareness of the critical need to prevent biological risks — both natural and man-made.
