

ANPATH GROUP, INC. ANNOUNCES EXPANSION OF ITS DISTRIBUTOR NETWORK

For Release: Immediately

Mooresville, NC (October 9, 2009) Anpath Group, Inc. (OTCBB: ANPG), reported today that its wholly-owned subsidiary, EnviroSystems, Inc. (ESI) has expanded its distribution capabilities with the signing of ZayMat Distributors of Cleveland, OH. ZayMat is owned and managed by Terrell Dillard, the President and Master Franchise Owner of Jan-Pro Cleaning Systems of Greater Cleveland. Anpath previously reported growth in the JanSan market largely based on the growing safety and environmental concerns.

According to Mr. Dillard, Jan-Pro Cleaning Systems of Greater Cleveland currently manages over 100 franchise owners in the Cleveland area and sells janitorial equipment, chemicals, and paper products through its affiliate company, ZayMat Distributors. Jan-Pro Cleaning Systems of Greater Cleveland has been servicing the greater Cleveland market since 2003. “We currently provide full-service cleaning solutions, products and chemicals to several hundred clients, daily”, explained Mr. Dillard. “The addition of EnviroTru[®] to our offering provides us with a distinct advantage. We are now able to provide effective cleaning, sanitization and disinfection with a safe product”, concluded Mr. Dillard.

EnviroTru[®] is a multi-purpose disinfectant, sanitizer and deodorizing cleaner effective against numerous organisms, including MRSA. EnviroTru[®] is registered by the Environmental Protection Agency (EPA) and meets requirements for Toxicity Category IV (minimal effects noted, no precautionary or first aid statements required; no harmful dermal, ocular, inhalation or ingestion effects), which is the lowest toxicity level available on the market today. EnviroTru[®] does not require protective clothing, gloves or special ventilation, and has passed AMS 1452A and AMS 1453 specifications for non-corrosion and materials compatibility.

About Anpath Group, Incorporated:

Anpath Group, Inc. (Anpath), through its wholly-owned subsidiary EnviroSystems, Inc., produces cleaning and disinfecting products that it believes will help prevent the spread of infectious microorganisms while minimizing the harmful effects to people, equipment or the environment. Visit www.anpathgroup.com for more information.

EnviroSystems, Inc. is focused on safe infection prevention technologies that the company believes will position the company in the forefront of the industry at a time when there is rapidly growing awareness of the critical need to prevent biological risks — both natural and man-made. Visit www.envirosi.com for more information.

Forward Looking Statements:

This release may contain forward-looking statements, which reflect expectation or belief by Anpath Group, Inc. concerning future events that involve risks and uncertainties. Anpath Group can give no assurance that the expectations reflected in forward looking statements will prove correct and various factors could cause results to differ materially from Anpath Group expectations, including, but not limited to U.S. EPA and state registration of Anpath Group's products, foreign registration of its products, its ability to carry out its business plan, successful development and commercial acceptance of its products, ability to fund development of its technology, the risk that products may not result from development activities, protection of its intellectual property, need for regulatory approvals, and other factors discussed in periodic Anpath Group, Inc. filings with the Securities and Exchange Commission. Forward-looking statements are qualified in their entirety by the above cautionary statement. Anpath Group assumes no duty to update its outlook or other forward-looking statements as of any future date.
